the same.

[illegible][illegible][illegible]

A detailed illustration of a circular astronomical instrument, likely a sundial or astrolabe. It features a complex grid of lines and a central cross-like structure. The instrument is mounted on a square base. The circular face has concentric rings and radial lines, with a central cross-shaped element. The entire device is shown in a perspective view, highlighting its three-dimensional nature.

[illegible]

ALL-HEALING OINTMENT

OR WORLDS SALVE
 has been an old family name for the past twenty years,
 and known all around the world as the most effective
